-- IF YOUR SHARES ARE HELD IN A BROKERAGE, BANK OR OTHER INTERMEDIARY ACCOUNT	To participate directly in the Plan, you should direct your broker, bank, or trustee to register some or all of your United States Steel common stock directly in your name. You can then get started in the Plan by returning a completed authorization form to United States Steel Shareholder Services. -----  
ADMINISTRATOR OF THE PLAN

United States Steel administers the Plan, keeps records, sends statements of account to you and performs other duties related to the Plan. United States Steel will register and hold shares purchased for you through the Plan or deposited by you for safekeeping in the Plan (collectively "Plan Shares") in the name of United States Steel as agent, until a written request is received from you for the sale of or issuance of certificates for all or part of your Plan Shares. United States Steel also acts as dividend disbursing and transfer agent for the United States Steel common stock. United States Steel may appoint a different administrator for the Plan at any time. United States Steel, or any appointed administrator, is referred to as the "Administrator."

-----  
INVESTMENT OPTIONS AND LIMITATIONS

Once enrolled in the Plan, you have the following investment options:

- -- DIVIDEND REINVESTMENT

When completing the Dividend Reinvestment section of the authorization form, YOU MUST CHOOSE ONE OF THE FOLLOWING:

FULL DIVIDEND REINVESTMENT. Purchase shares of United States Steel common stock with all of your cash dividends. The dividends on all of your shares held in the Plan will also be reinvested in shares of United States Steel common stock. Additional shares may also be purchased with optional cash.

PART CASH--PART DIVIDEND REINVESTMENT. Receive a cash dividend payment based on the number of full shares you specify. This option allows you to receive a fixed amount of cash each quarter, assuming the dividend is paid and stays the same. The balance of your dividends will be used to purchase shares of United States Steel common stock.

You can have your cash dividends deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate sections of the Direct Deposit Form from United States Steel Shareholder Services. You can also change your designated bank account for direct deposit with the same form. The forms will be acted upon as soon as possible after they are received, and you can discontinue this feature by notifying United States Steel Shareholder Services in writing.

You can change your dividend reinvestment election at any time by notifying United States Steel Shareholder Services.

- -- OPTIONAL CASH INVESTMENTS ONLY

You can purchase additional shares of United States Steel common stock by using the Plan's optional cash investment feature regardless of whether dividends are reinvested. Dividends will be automatically reinvested on those shares retained in the Plan. You can invest at least \$50 at any one time up to a maximum of \$10,000 in any month unless the limit is waived by United States Steel. INTEREST WILL NOT BE PAID ON AMOUNTS HELD PENDING INVESTMENT.

5

BY AUTOMATIC WITHDRAWAL FROM YOUR BANK ACCOUNT. If you wish to make regular monthly purchases, you can authorize an automatic monthly withdrawal from your bank account by completing the reverse side of the authorization form. This feature enables you to make ongoing investments without writing a check. Funds will be deducted from your bank account on the fifth day of each month. If this date falls on a bank holiday or weekend, funds will be deducted on the next business day. Please allow up to six weeks for the first automatic monthly withdrawal to be initiated. You must notify United States Steel Shareholder Services in writing to change or terminate automatic withdrawal.

BY CHECK OR MONEY ORDER. You can make optional cash investments by sending a check or money order payable to United States Steel Corporation. DO NOT SEND CASH.

To facilitate processing of your investment, please use the transaction stub located at the top of your quarterly statement. Mail your check and transaction stub to the address specified on the statement. Since funds will normally be invested on Friday of each week, funds from checks received after 2:00 p.m. on Thursday will be invested on Friday of the following week. You may not sell or withdraw shares purchased by check for a period of 14 days from the receipt of the check. A \$25 fee will be assessed for a check that is returned for insufficient funds.

IF YOU RETURN AN AUTHORIZATION FORM BUT MAKE NO SELECTION, YOU WILL BE ENROLLED AS HAVING SELECTED FULL DIVIDEND REINVESTMENT. In all cases, cash dividends on all Plan Shares will be reinvested in accordance with the Plan, including cash dividends on such shares purchased with optional cash payments.

- -- LIMITATIONS ON PURCHASES

Optional and Initial Cash Investments

-- at least \$500 initial cash investment

-- at least \$50 optional cash investment at any one time

-- no more than \$10,000 in any one month

Dividend Reinvestments

-- up to \$15,000 per dividend payment

O All limitations may be waived by United States Steel upon written request

- -- AGGREGATION OF ACCOUNTS FOR PURPOSE OF LIMITATIONS

For the purpose of the above limitations ("Plan Limits"), United States Steel may aggregate all reinvested dividends and optional and initial cash payments for participants with more than one account using the same Social Security Number or Taxpayer Identification Number. For participants unable to supply a Social Security Number or Taxpayer Identification Number, their participation may be limited by United States Steel to only one Plan account.

Also for the purpose of such Plan Limits, all Plan accounts which United States Steel believes to be under common control or management or to have common ultimate beneficial ownership may be aggregated. Unless United States Steel has determined that reinvestment of dividends and investment of optional cash payments for each such account would be consistent with the purposes of the Plan, United States Steel will have the right to aggregate all such accounts and to

6

return, without interest, within 30 days of receipt, any amounts in excess of the investment limitations applicable to a single account received in respect of all such accounts.

- -- WAIVER OF LIMITATIONS

Initial cash payments and optional cash payments in excess of \$10,000 per month may be made only pursuant to a written Waiver of Limitation by United States Steel for the total amount submitted. A copy of such written approval must accompany any cash payment to which this limitation applies.

Requests for waiver of the \$15,000 limitation on reinvestment of dividends and other questions concerning waivers should be directed to United States Steel at (412) 433-4707. It is solely within United States Steel's discretion as to whether any waiver of the allowable maximum amounts will be granted.

In deciding whether to approve a request, United States Steel will consider relevant factors including, but not limited to, United States Steel's need for additional funds, the attractiveness of obtaining such additional funds by the sale of United States Steel common stock by comparison to other sources of funds, the applicable purchase price, the participant submitting the request, the extent and nature of such participant's prior participation in the Plan, the number of shares of United States Steel common stock held of record by such participant and the aggregate amount of such dividends and initial or optional cash payments in excess of the allowable maximum amounts for which requests have been submitted by all participants.

If requests are submitted for any Investment Date (see "Purchase of Shares for the Plan--Purchases Exceeding Plan Limits--Discount in Effect" on page 8 for a discussion of the Investment Date) for an aggregate amount in excess of the amount United States Steel is then willing to accept, United States Steel may honor such requests in order of receipt, pro rata or by any other method which United States Steel determines to be appropriate.

-----  
PURCHASE OF SHARES FOR THE PLAN

The following discussion pertains to

(a) all purchases within Plan Limits and

(b) all purchases in excess of Plan Limits when no Discount (as defined below) is in effect.

- -- PURCHASE INTERVALS

The Administrator will use initial and optional cash investments to purchase shares of United States Steel common stock as promptly as practicable, normally once each week. To the extent dividends are declared, the Administrator will use reinvested dividends to purchase shares on the quarterly dividend payment date. Purchases may be made over a number of days to meet the requirements of the Plan.

7

- -- SOURCE AND PRICING OF SHARES

SOURCE OF SHARES. Stock needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by United States Steel.

PRICE OF SHARES PURCHASED IN THE OPEN MARKETS. If the shares are purchased

in the open market, your price per share will be the weighted average price of shares purchased on that day. With respect to open market purchases, the Administrator will purchase shares for the Plan on any securities exchange where United States Steel common stock is traded, in the over-the-counter market or in privately negotiated transactions.

Trading fees incurred by the Plan for purchases will be paid by United States Steel and will be reported to you as taxable income on Form 1099-DIV. All computations of shares are calculated to three decimals and fractional shares are credited to your account.

PRICE OF SHARES PURCHASED FROM UNITED STATES STEEL. If the shares are purchased from United States Steel, your price per share will be the average of the daily high and low sale prices quoted on the New York Stock Exchange Composite Transactions as reported in the Wall Street Journal (the "NYSE Composite") listing for the day the shares are purchased.

If there is no trading of United States Steel common stock on the NYSE on the day the price is to be determined, the price per share will be determined by United States Steel on the basis of such market quotations as it considers appropriate.

Because the Administrator may periodically change between the above methods for purchasing shares, there can be no assurance that the method for determining your price per share will not change. To obtain the current method, please call (412) 433-4707.

DISCOUNT. The Plan contemplates that shares purchased under the Plan with reinvested dividends as well as optional cash purchases of up to \$10,000 may, IN THE SOLE DISCRETION OF UNITED STATES STEEL, be subject to a discount of 0 to 3% ("Discount"). The Discount will be established in United States Steel's sole discretion after a review of current market conditions, the level of participation and current and projected capital needs. The Discount will apply to initial and optional cash investments and the reinvestment of dividends. The Discount will be subtracted from the purchase price of shares purchased for the Plan for the relevant month. Notice will be given to Participants or a public announcement will be made upon the implementation or discontinuance of any Discount.

#### PURCHASES EXCEEDING PLAN LIMITS--DISCOUNT IN EFFECT

The following discussion pertains only to purchases for which a Waiver of Limitation has been obtained when the Discount is in effect. The terms set forth below will apply to the full amount for which a waiver has been obtained. For example, if a waiver is obtained to make an optional cash purchase of \$20,000, \$10,000 over the limit, the full \$20,000 will be subject to these terms.

8

For a list of important dates with respect to purchases exceeding Plan limits when a Discount is in effect, see Schedule I on page S-1. Schedule I is only a guide. Actual dates may be obtained by calling (412) 433-4707.

#### - -- PURCHASE INTERVALS

The Administrator will use initial and optional cash investments for which a waiver has been obtained to purchase shares of United States Steel common stock once each month. To the extent dividends are declared, the Administrator will use reinvested dividends to purchase shares on a quarterly basis.

#### - -- SOURCE AND PRICING OF SHARES

SOURCE OF SHARES. Stock required to meet the requirements of the Plan when a Discount is in effect will be issued directly by United States Steel.

PRICE OF SHARES. Your price per share will be the average of the daily high and low sales prices of United States Steel common stock on the NYSE Composite for the twelve Trading Days immediately preceding the relevant Investment Date less the Discount.

SEE SCHEDULE I FOR A LIST OF RELEVANT DATES AND DEFINITIONS.

O A "Trading Day" means a day on which trades of the United States Steel common stock are reported on the New York Stock Exchange.

O The twelve Trading Days immediately preceding the relevant Investment Date is the relevant "Pricing Period."

- -- TIMING. Shares purchased from United States Steel will be purchased on the Investment Date which is on or about the tenth of each month.

IN ORDER FOR SUCH FUNDS TO BE INVESTED ON THE NEXT INVESTMENT DATE, UNITED STATES STEEL MUST BE IN RECEIPT OF FUNDS ON OR BEFORE THE BUSINESS DAY IMMEDIATELY PRECEDING THE FIRST DAY OF THE RELATED PRICING PERIOD. UNITED STATES STEEL WILL RETURN, WITHOUT INTEREST, ANY PAYMENTS RECEIVED AFTER THE CLOSE OF

BUSINESS ON THE BUSINESS DAY IMMEDIATELY PRECEDING THE FIRST DAY OF THE PRICING PERIOD AND BEFORE THE RELATED INVESTMENT DATE

- -- THRESHOLD PRICE LIMIT

With respect to initial or optional cash purchases exceeding plan limits when the Discount is in effect, United States Steel will establish for each Pricing Period a minimum price (the "Threshold Price") applicable to the purchase of newly issued shares of United States Steel common stock. The Threshold Price and return procedure, discussed below, do not apply to the reinvestment of dividends.

The Threshold Price will be established by United States Steel two business days prior to the Record Date at United States Steel's sole discretion after a review of current market conditions and other relevant factors. It will be a stated dollar amount that the average of the high and low sale prices on the NYSE Composite for a Trading Day of the Pricing Period must equal or exceed.

9

In the event that the Threshold Price is not satisfied for a Trading Day of the Pricing Period, then that Trading Day and the trading prices for that day will be excluded from the Pricing Period and the determination of the purchase price. A day will also be excluded from the Pricing Period and the determination of the purchase price if there are no trades of United States Steel common stock reported on the NYSE for such day. For example, if the Threshold Price is not satisfied for three of the twelve Trading Days, then the purchase price will be based upon the remaining nine Trading Days for which the Threshold Price was satisfied.

Each Trading Day of a Pricing Period for which the Threshold Price is not satisfied or each day for which there are no trades of United States Steel common stock reported on the NYSE will cause the return of a portion of your initial or optional cash payment. The returned amount will equal one-twelfth of the total amount of the initial or optional cash payments for which the relevant Waiver of Limitation was received for each Trading Day that the Threshold Price is not satisfied or for each day no such sales are reported. For example, if the Threshold Price is not satisfied or no such sales are reported for three Trading Days, 3/12 (or 25%) of your initial or optional cash payments for which the relevant Waiver of Limitation was received will be returned without interest to you.

-----  
CONTROL OVER PURCHASES

Unless otherwise provided herein, the Administrator, currently United States Steel, decides whether purchases are to be made in the open market or from United States Steel and engages a bank or other agent for purposes of making open market purchases. Neither United States Steel nor any participant in the Plan has the authority or power to control either the timing or pricing of shares purchased in the open market.

If you send in an initial or optional cash investment, it is possible that the market price of United States Steel common stock could go up or down before your funds are used to purchase stock. Further, the Administrator may change the method of stock purchase (purchase in the open market or from United States Steel) at any time within any three month period. THEREFORE, YOU WILL NOT BE ABLE TO PRECISELY TIME YOUR PURCHASES THROUGH THE PLAN AND WILL BEAR THE MARKET RISK ASSOCIATED WITH FLUCTUATIONS IN THE PRICE OF UNITED STATES STEEL COMMON STOCK.

IN ADDITION, YOU WILL NOT EARN INTEREST ON INITIAL OR OPTIONAL CASH INVESTMENTS FOR THE PERIOD BEFORE THE SHARES ARE PURCHASED.

-----  
SALE OF SHARES FOR THE PLAN

TIMING AND CONTROL

You can sell any number of shares held in your Plan account or book entry form by notifying United States Steel Shareholder Services. United States Steel will endeavor to arrange sales weekly on Friday, provided that it has been advised in writing of such sale no later than the preceding day. The sale price will be the weighted average price of all shares sold on that sale

10

date for Plan participants. You will receive the proceeds of the sale less a trading fee of \$.05 per share (subject to change at any time), and any required tax withholdings.

YOU WILL NOT BE ABLE TO PRECISELY TIME YOUR SALES THROUGH THE PLAN AND WILL BEAR THE MARKET RISK ASSOCIATED WITH FLUCTUATION IN THE PRICE OF UNITED STATES STEEL COMMON STOCK. That is, if you send in a request to sell shares, it is possible that the market price of United States Steel common stock could go down or up

before your shares are sold. In addition, you will not earn interest on a sales transaction.

You can choose to sell your shares through a stockbroker of your choice, in which case you should request a certificate for your shares from United States Steel Shareholder Services. Allow two weeks for delivery of the certificate. (See "Issuance of Certificates" on page 12.)

---

#### SAFEKEEPING OF YOUR STOCK CERTIFICATES AND BOOK ENTRY

Any United States Steel stockholder may use the Plan's "safekeeping" service to deposit United States Steel common stock certificates at no cost whether or not dividends are reinvested. Safekeeping is beneficial because you no longer bear the risk and cost associated with the loss, theft, or destruction of stock certificates.

With safekeeping, you have the option of reinvesting all, a portion or none of your dividends. You may also take advantage of the sale of shares feature of the Plan. Certificates will be issued upon request. (See "Issuance of Certificates" on page 12.)

To use the safekeeping service, send your certificates to United States Steel Shareholder Services by registered mail with written instructions to deposit them for safekeeping. The shares should be insured for approximately 2% of the value of the shares. Do not endorse the certificates or complete the assignment section. The address of United States Steel Shareholder Services is on the inside back cover of this prospectus.

Shares of United States Steel common stock that you buy under the Plan will be maintained in your Plan account for safekeeping in book entry form. You will receive a quarterly statement detailing the status of your holdings.

---

#### GIFTS, TRANSFERS AND PLEDGES OF SHARES

YOU CAN GIVE OR TRANSFER SHARES OF UNITED STATES STEEL COMMON STOCK TO ANYONE YOU CHOOSE BY:

- Making an initial \$500 cash investment to establish an account in the recipient's name; or
- Submitting an optional cash investment on behalf of an existing stockholder in the Plan in an amount not less than \$50 nor more than \$10,000; or
- Transferring shares from your account to the recipient (minimum of five shares to new accounts).

You may transfer shares to new or existing stockholders. United States Steel Shareholder Services will automatically place such new accounts in full dividend reinvestment status. New

11

participants, at their discretion, may elect another investment option by giving notice to United States Steel Shareholder Services. If you participate in dividend reinvestment and you request to either (a) transfer all of your shares or (b) make a partial sale and transfer the balance of your shares between the ex-dividend and the dividend record date, the processing of your request may be held until after your account is credited with reinvested dividends. This holding period could be as long as three weeks.

To transfer shares, you must have your signature guaranteed by a financial institution participating in the Medallion Guarantee Program (generally a broker or a bank). The Medallion Guarantee Program ensures that the individual signing the certificate or stock power is in fact the registered owner.

Plan shares may not be pledged and any such purported pledge shall be void. If you want to pledge your shares, you must first withdraw them from your Plan Account.

If you need additional assistance, please call United States Steel Shareholder Services at (412) 433-4801.

---

#### ISSUANCE OF CERTIFICATES

You can withdraw all or some of the shares from your Plan account by notifying United States Steel Shareholder Services.

Certificates will be issued for whole shares only. In the event your request involves a fractional share, a check (less any applicable fees) for the value of the fractional share will be mailed to you. You should receive your certificate within two weeks of your request. Dividends will continue to be reinvested in United States Steel common stock unless United States Steel is specifically

advised to discontinue reinvestment.

Certificates will be issued in the name(s) in which the account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than your Plan account registration name, the signature on the instructions or stock power authorizing the issuance must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as described above.

TRACKING YOUR INVESTMENTS

United States Steel Shareholder Services will mail you a quarterly statement showing all transactions (shares, amounts invested, purchase prices) for your account including year-to-date and other account information. Supplemental statements or notices will be sent when you make an initial or optional cash investment or a deposit, transfer or withdrawal of shares.

PLEASE RETAIN YOUR STATEMENTS TO ESTABLISH THE COST BASIS OF SHARES PURCHASED UNDER THE PLAN FOR INCOME TAX AND OTHER PURPOSES AND TO AVOID ACCOUNT RESEARCH FEES.

You should notify United States Steel Shareholder Services promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

-----  
U.S. FEDERAL INCOME TAX INFORMATION

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually received them in cash. Any Discount on cash purchases and any Discount on dividend reinvestments is treated as a dividend to the shareholder. You will receive an annual statement from the Administrator indicating the amount of reinvested dividends and Discounts reported to the U.S. Internal Revenue Service as dividend income. The statement will also reflect any trading fees paid by United States Steel on your behalf for purchases of shares.

You will not realize gain or loss for U. S. Federal income tax purposes upon deposit of shares into the Plan or the withdrawal of whole shares from the Plan. You will, however, generally realize gain or loss upon the sale of shares (including the receipt of cash for fractional shares) held in the Plan.

Plan participants who are non-resident aliens or non-U. S. corporations, partnerships or other entities generally are subject to a withholding tax on dividends paid on shares held in the Plan. The Administrator is required to withhold from dividends paid the appropriate amount determined in accordance with U. S. Treasury regulations. Any applicable withholding tax may be determined by treaty between the U. S. and the country in which such participant resides. Accordingly, the amount of any dividends, net of the applicable withholding tax, will be credited to participant Plan accounts for the investment in additional common stock.

The above summary is not a comprehensive summary of all of the tax

considerations that may be relevant to a participant in the Plan. Therefore, you are urged to consult your tax advisors regarding the consequences of participation in the Plan.

-----  
MISCELLANEOUS

- -- VOTING OF PROXIES

United States Steel will mail you proxy materials including a proxy card representing both the shares for which you hold certificates and the shares in your Plan account. Your shares will be voted as indicated by you. If you do not return the proxy card or if you return it unsigned, none of your shares will be voted.

- -- RESPONSIBILITY OF ADMINISTRATOR AND UNITED STATES STEEL CORPORATION

Neither United States Steel nor any other Administrator nor any agent will be liable for any act they do in good faith or for any good faith omission to act. This includes, without limitation, any claims of liability:

- for failure to terminate your account upon your death prior to receiving written notice of such death; or
- relating to purchases or sales prices reflected in your Plan account or the dates of purchases or sales of your Plan shares; or
- for any fluctuation in the market value after purchase or sale of shares.

Neither United States Steel nor any Plan Administrator can assure you a profit or protect you against a loss on the shares you purchase under the Plan.

- -- DIVIDENDS

The terms of United States Steel's indebtedness limit the ability of United States Steel to pay dividends. Subject to these limitations, the declaration of dividends on United States Steel common stock is at the discretion of United States Steel's board of directors and will be declared and paid after consideration of various factors, including, without limitation, the earnings and financial condition of United States Steel. The board of directors of United States Steel has the right to change the amount of dividends at any time.

- -- PLAN MODIFICATION OR TERMINATION

UNITED STATES STEEL RESERVES THE RIGHT TO SUSPEND, MODIFY OR TERMINATE THE PLAN AT ANY TIME. You will receive notice of any such suspension, modification or termination. United States Steel

14

and any other Administrator also reserve the right to change any and all administrative procedures and costs associated with the Plan.

- -- CHANGE OF ELIGIBILITY OR TERMINATION

You will remain a participant of the Plan until you withdraw from the Plan or the Plan is terminated. United States Steel reserves the right to deny, suspend or terminate participation by a stockholder who is using the Plan for purposes inconsistent with the intended purpose of the Plan. In such event, United States Steel Shareholder Services will notify you in writing and will continue to safekeep your shares but will no longer accept optional cash investments or reinvest your dividends. United States Steel Shareholder Services will issue a certificate to you upon written request.

If the number of shares on which dividends are reinvested falls below one share, your participation in the Plan will be automatically terminated and a check will be sent to you for any fractional share remaining.

- -- FOREIGN PARTICIPATION

If you live outside of the U. S., you should first determine if there are any laws or governmental regulations that would prohibit your participation in the Plan. United States Steel reserves the right to terminate participation of any stockholder if it deems it advisable under any foreign laws or regulations.

- -- INTERPRETATION

United States Steel may adopt rules and regulations to facilitate the administration of the Plan. Any question of interpretation under the Plan will be determined by United States Steel and any such determination will be final.

The Plan, all related forms and your account shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania and cannot be modified orally.

-----

PLAN OF DISTRIBUTION

Except to the extent the Plan Administrator purchases United States Steel common stock ("Common Shares") in open market transactions, the Common Shares acquired under the Plan will be sold directly by the Company through the Plan. The Company may sell Common Shares to owners of shares (including brokers or dealers) who, in connection with any resales of such shares, may be deemed to be underwriters. In connection with any such transaction, compliance with Regulation M under the Securities Exchange Act of 1934 would be required. Such shares, including shares acquired pursuant to waivers granted with respect to the initial or optional cash purchase feature of the Plan, may be resold in market transactions (including coverage of short positions) on any national securities exchange on which Common Shares trade or in privately negotiated transactions. The Common Shares are currently listed on the New York Stock Exchange. Under certain circumstances, it is expected that a portion of the Common Shares available for issuance under the Plan will be issued pursuant to such waivers. The difference between the price such owners pay to the Company for Common Shares acquired under the

15

Plan, after deduction of the applicable discount from the Market Price, and the price at which such shares are resold, may be deemed to constitute underwriting commissions received by such owners in connection with such transactions. Any such underwriter involved in the offer and sale of the Common Shares will be named in an applicable prospectus supplement. Any underwriting compensation paid by the Company to underwriters or agents in connection with the offering of the Common Shares, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be set forth in an applicable prospectus supplement.

Except with respect to open market purchases of Common Shares relating to reinvested distributions, the Company will pay any and all brokerage commissions and related expenses incurred in connection with purchases of Common Shares under the Plan. Upon withdrawal by a Participant from the Plan by the sale of Common Shares held under the Plan, the Participant will receive the proceeds of such sale less (i) a nominal fee per transaction (see "Plan Service Fees" on page 13) paid to the Plan Administrator (if such resale is made by the Plan Administrator at the request of a Participant), (ii) any related brokerage commissions and (iii) any applicable transfer taxes.

Common Shares may not be available under the Plan in all states. This Prospectus does not constitute an offer to sell, or a solicitation of an offer to buy, any Common Shares or other securities in any state or any other jurisdiction to any person to whom it is unlawful to make such offer in such jurisdiction.

-----  
EXPERTS

The consolidated financial statements incorporated in this Prospectus by reference to the Annual Report on Form 10-K for the year ended December 31, 2001 have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, independent accountants, given on the authority of said firm as experts in auditing and accounting.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article V of the By-Laws of United States Steel (the "Corporation") provides that the Corporation shall indemnify to the fullest extent permitted by law any person who is made or is threatened to be made a party or is involved in any action, suit, or proceeding whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director, officer, employee or agent of the Corporation or is or was serving at the request of the Corporation as an officer, director, employee or agent of another corporation, partnership, joint venture, trust, enterprise, or nonprofit entity.

The Corporation is empowered by Section 145 of the Delaware General Corporation Law, subject to the procedures and limitations stated therein, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that such person is or was an officer, employee, agent or director of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The Corporation may indemnify any such person against expenses (including attorneys' fees) in an action by or in the right of the Corporation under the same conditions, except that no indemnification is permitted without judicial approval if such person is adjudged to be liable to the Corporation. To the extent a director or officer is successful on the merits or otherwise in the defense of any action referred to above, the Corporation must indemnify him against the expenses which he actually and reasonably incurred in connection therewith.

Policies of insurance are maintained by the Corporation under which directors and officers of the Corporation are insured, within the limits and subject to the limitations of the policies, against

certain expenses in connection with the defense of actions, suits or proceedings, and certain liabilities which might be imposed as a result of such actions, suits or proceedings, to which they are parties by reason of being or having been such directors or officers.

The Corporation's Restated Certificate of Incorporation provides that no director shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty by such director as a director, except (i) for breach of the director's duty of loyalty to the Corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) pursuant to Section 174 of the Delaware General Corporation Law, or (iv) for any transaction from which the director derived an improper personal benefit.

ITEM 16. LIST OF EXHIBITS AND FINANCIAL STATEMENT SCHEDULES.

(a) See Exhibit Index.

(b) All schedules are omitted because they are not applicable or the required information is contained in the respective financial statements or notes thereto.

ITEM 17. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to the registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference herein.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the bona fide offering thereof.

II-2

(3) To remove from registration by means of post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The Corporation hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Corporation's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Corporation pursuant to the foregoing provisions, or otherwise, the Corporation has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Corporation of expenses incurred or paid by a director, officer or controlling person of the Corporation in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Corporation will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
