FORWARD-LOOKING STATEMENTS

This prospectus and the information incorporated by reference in it contains information that may constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). We intend the forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in these sections.

Generally, we have identified such forward-looking statements by using the words “believe,” “expect,” “intend,” “estimate,” “anticipate,” “project,” “target,” “forecast,” “aim,” “should,” “will” and similar expressions or by using future dates in connection with any discussion of, among other things, operating performance, trends, events or developments that we expect or anticipate will occur in the future, statements relating to volume changes, share of sales and earnings per share changes, anticipated cost savings, potential capital and operational cash improvements, changes in global supply and demand conditions and prices for our products, international trade duties and other aspects of international trade policy and statements expressing general views about future operating results. However, the absence of these words or similar expressions does not mean that a statement is not forward-looking. Forward-looking statements are not historical facts, but instead represent only the Company’s beliefs regarding future events, many of which, by their nature, are inherently uncertain and outside of the Company’s control. It is possible that the Company’s actual results and financial condition may differ, possibly materially, from the anticipated results and financial condition indicated in these forward-looking statements. Management believes that these forward-looking statements are reasonable as of the time made. However, caution should be taken not to place undue reliance on any such forward-looking statements because such statements speak only as of the date when made. Our Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law. In addition, forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from our Company’s historical experience and our present expectations or projections. These risks and uncertainties include, but are not limited to, the risks and uncertainties described in this prospectus and in the information incorporated herein by reference, including in “Item 1A. Risk Factors” in our Annual Report on Form 10-K for the year ended December 31, 2021, and those described from time to time in our future reports filed with the SEC that are incorporated herein by reference.

5. How do I participate?

Enrollment Process. You may enroll online at shareowneronline.com or by sending a completed *Account Authorization Card* to the Plan Administrator. *Account Authorization Cards* may be obtained by calling or writing to the Plan Administrator.

If you do not own any U. S. Steel Common Stock. You can purchase shares through a broker and follow the instructions below under “If you own U. S. Steel Common Stock through a broker.”

If you own U. S. Steel Common Stock through a broker. You can direct your broker, bank, or trustee to register some or all of your U. S. Steel Common Stock directly in your name. You can then join the Plan by returning a completed *Account Authorization Card*.

Investment Options

6. What are my investment options under the Plan?

The *Account Authorization Card* provides options for stockholders to participate in the Plan. As a participant in the Plan, you may elect to reinvest all or part of the dividends from your Common Stock for the purchase of additional shares. You must select one of the dividend options on the *Account Authorization Card*. If you complete and return an *Account Authorization Card* without selecting a dividend option, your dividends will automatically be fully reinvested to purchase additional shares. Reinvestment or payment of your dividends will be subject to any applicable U. S. withholding taxes.

Automatic Reinvestment of Dividends. When you enroll in the Plan, YOU MUST CHOOSE ONE OF THE FOLLOWING:

Full Dividend Reinvestment. All cash dividends payable on shares held in the Plan, along with any shares held in physical certificate form or through book-entry Direct Registration Shares (“DRS”), will be used to purchase additional shares. You will not receive cash dividends from U. S. Steel; instead, all dividends will be reinvested. Whole and fractional shares will be allocated to the Plan account. *(RD)*

Partial Cash Dividend By Share Amount You may elect to be paid cash for a portion of the dividend and reinvest the remainder. The portion elected to be paid will be applied to the designated whole number of shares held in physical certificate form or held through book-entry DRS. All shares held in the Plan will be reinvested. The cash portion of dividends will be sent by check unless the participant has elected to have those dividends deposited directly to a designated bank account. *(PS-Y)*

Cash Dividends. All dividends payable to you will be paid in cash. This includes the dividend payable on all shares held in the Plan, any shares held in physical certificate form or any shares held through book-entry DRS. Your dividend payment will be sent by check unless you have elected to have those dividends deposited directly to a designated bank account. *(RPO)*

Regardless of your dividend reinvestment election, you may also purchase additional shares through the Plan by making optional cash investments.

You can have your cash dividends deposited directly into your bank account instead of receiving a check by mail. Just complete the appropriate sections of the *Direct Deposit of Dividends Authorization Card*, which may be obtained by writing or calling the Plan Administrator.

You can change your dividend reinvestment election at any time online at shareowneronline.com, or by notifying the Plan Administrator directly by telephone or mail.

The Plan Administrator will invest U. S. Steel dividend funds as soon as administratively possible and no later than 30 trading days, following the dividend payable date.

7. How are dividend amounts determined?

The declaration of dividends on U. S. Steel Common Stock is at the discretion of U. S. Steel's board of directors and will be declared and paid after consideration of various factors, including, without limitation, the earnings and financial condition of U. S. Steel. The board of directors of U. S. Steel has the right to change the amount of dividends at any time.

8. If I join the Plan, must I own a minimum number of shares?

Yes. Participants must maintain a balance of at least one share to keep their Plan account open. The Plan Administrator reserves the right to sell, without prior notification, all partial shares in an account in which the share balance fails to meet the one-share minimum requirement after the applicable period of participation in the Plan.

Purchases

9. What is the source and pricing of shares?

Source of Shares. Stock needed to meet the requirements of the Plan will either be purchased in the open market or issued directly by U. S. Steel, at U. S. Steel's sole discretion.

Price of Shares Purchased In the Open Market. If the shares are purchased in the open market, your price per share will be the weighted average price of the shares purchased on that day, or those days.

With respect to open market purchases, the Plan Administrator will facilitate the purchase of shares for the Plan on any securities exchange where U. S. Steel Common Stock is traded, in the over-the-counter market or in privately negotiated transactions. Neither U. S. Steel nor any participant has any authority or power to direct the time or the price at which any market purchase is completed or as to the selection of a broker or dealer through or from whom such purchases are to be made. The funds of participants may be pooled by the Plan Administrator for the purpose of purchasing shares.

Trading fees paid by U. S. Steel and not charged to you will be reported to you as taxable income on Form 1099-MISC. All computations of shares are calculated to three decimals and fractional shares are credited to your Plan account.

Price of Shares Purchased from U. S. Steel. If the shares are purchased from U. S. Steel, your price per share (the "Purchase Price") will be the average of the daily high and low sale prices on the New York Stock Exchange Composite Index (the "NYSE Composite") as reported by Bloomberg LP, or such other source as U. S. Steel shall determine from time to time, on the Investment Date. If there is no trading of U. S. Steel Common Stock on the NYSE on the day the price per share is to be determined, the Purchase Price will be determined by U. S. Steel on the basis of such market quotations as it considers appropriate.

Because the method for purchasing shares may periodically change between the above options, there can be no assurance that the method for determining your price per share will not change. To obtain the current method, please follow the instructions under "Additional Information" above.

10. How are optional cash payments made?

Investment Methods. Optional cash investments will be invested weekly, and no later than 35 trading days following receipt, except where postponement is necessary to comply with Regulation M under the Securities Exchange Act of 1934 or other applicable provisions of securities law. In making purchases for the participant's account, the Plan Administrator may commingle the participant's funds with those of other participants of the Plan. Purchases may be subject to certain fees and conditions.

By Check. To make an investment by mail, payments must be in U. S. dollars and drawn on a U. S. or Canadian financial institution. Cash, money orders, traveler's checks or third party checks are not accepted.

By Automatic Withdrawal from Your Bank Account. You may setup a one-time, monthly or semi-monthly automatic withdrawal from a designated bank account. The request may be submitted online, by telephone or by sending an *Account Authorization Card* by mail. Requests are processed and become effective as promptly as administratively possible. Once the automatic withdrawal is initiated, funds will be debited from the participant's designated bank account on or about the 5th and/or the 19th of each month and will be invested in U. S. Steel Common Stock on the next Investment Date. Changes or a discontinuation of automatic withdrawals can be made online at shareowneronline.com, by telephone or by using the *Transaction Request Form* attached to the participant's statement. To be effective with respect to a particular Investment Date, a change request must be received by the Plan Administrator at least 15 trading days prior to the Investment Date.

11. When will shares be purchased under the Plan?

Except for dividend reinvestments, which begin on the quarterly dividend payment date, investments are generally made within five (5) trading days from receipt of your investment amount (the "Investment Date"). Funds received by 5:00 p.m. Central Time on or before the business day prior to the relevant Investment Date will be invested on that Investment Date.

The Plan Administrator will use reinvested dividends and optional cash investments to purchase shares of our Common Stock. Purchases may be made over a number of days to meet the requirements of the Plan.

12. Is there a discount on purchasing shares?

Shares purchased under the Plan may, IN THE SOLE DISCRETION OF U. S. STEEL, be subject to a discount from 0 to 3% ("Discount"). The Discount will be established in U. S. Steel's sole discretion after a review of current market conditions, the level of participation and current and projected capital needs. The Discount will apply to optional cash investments and the reinvestment of dividends. The Discount will be subtracted from the Purchase Price.

Stock required to meet the requirements of the Plan when a Discount is in effect will be issued directly by U. S. Steel. Notice will be given to participants or a public announcement will be made upon the implementation or discontinuance of any Discount. To obtain the current Discount, please follow the instructions under "Additional Information" above.

13. How will U. S. Steel determine whether shares purchased under the Plan will be purchased directly from U. S. Steel from authorized but unissued shares or purchased in the open market or privately negotiated transactions?

U. S. Steel decides whether purchases are to be made in the open market or from U. S. Steel. The Plan Administrator engages a broker, dealer or other agent for purposes of making open market purchases. Neither U. S. Steel, nor any participant in the Plan has the authority or power to control either the timing or pricing of shares purchased in the open market.

If you send in an optional cash investment, it is possible that the market price of U. S. Steel Common Stock could go up or down before your funds are used to purchase stock. Further, U. S. Steel may change the method of stock purchase (purchase in the open market or from U. S. Steel) at any time after the three month period following the last such change. THIS MEANS, YOU WILL NOT BE ABLE TO PRECISELY TIME YOUR PURCHASES THROUGH THE PLAN AND WILL BEAR THE MARKET RISK ASSOCIATED WITH FLUCTUATIONS IN THE PRICE OF U. S. STEEL COMMON STOCK.

IN ADDITION, NO INTEREST WILL BE PAID ON OPTIONAL CASH INVESTMENTS HELD PENDING INVESTMENT. During the period that an optional cash investment is pending, the collected funds in the possession of the Plan Administrator may be invested in certain "permitted investments." For purposes of the Plan, permitted investments shall mean the Plan Administrator may hold the funds uninvested or invested in select Wells Fargo deposit products. The risk of any loss for such permitted investments shall be the responsibility of the Plan Administrator. Investment income from permitted investments shall be retained by the Plan Administrator.

Selling Shares

14. How can I sell Plan shares?

Sales are usually made through a broker, who will receive brokerage commissions. Typically, the shares are sold through the exchange on which the Common Stock of U. S. Steel are traded. Depending on the number of U. S. Steel shares to be sold and current trading volume, sale transactions may be completed in multiple transactions and over the course of more than one day. All sales are subject to market conditions, system availability, restrictions and other factors. The actual sale date, time or price received for any shares sold through the Plan cannot be guaranteed.

You may instruct the Plan Administrator to sell shares under the Plan through a Batch Order, Market Order, Day Limit Order, Good-'Til-Date/Canceled Limit Order or Stop Order.

Batch Order (online, telephone, mail) – The Plan Administrator will combine each request to sell through the Plan with other Plan participant sale requests for a Batch Order. Shares are then periodically submitted in bulk to a broker for sale on the open market. Shares will be sold no later than five business days (except where deferral is necessary under state or federal regulations). Bulk sales may be executed in multiple transactions and over more than one day depending on the number of shares being sold and current trading volumes. Once entered, a Batch Order request cannot be canceled.

Market Order (online or telephone) – Your request to sell shares in a Market Order will be at the prevailing market price when the trade is executed. If such an order is placed during market hours, the Plan Administrator will promptly submit the shares to a broker for sale on the open market. Once entered, a Market Order request cannot be canceled. Sales requests submitted near the close of the market may be executed on the next trading day, along with other requests received after market close.

Day Limit Order (online or telephone) – Your request to sell shares in a Day Limit Order will be promptly submitted by the Plan Administrator to a broker. The broker will execute the Day Limit Order as a Market Order when and if the stock reaches or exceeds the specified price on the day the order was placed (for orders placed outside of market hours, the next trading day). The order is automatically canceled if the price is not met by the end of that trading day. Depending on the number of shares being sold and current trading volumes, the order may only be partially filled and the remainder of the order canceled. Once entered, a Day Limit Order request cannot be canceled by the participant.

Good-'Til-Date/Canceled (GTD/GTC) Limit Order (online or telephone) – A GTD/GTC Limit Order request will be promptly submitted by the Plan Administrator to a broker. The broker will execute the GTD/GTC Limit Order as a Market Order when and if the stock reaches or exceeds the specified price at any time while the order remains open (up to the date requested or 90 days for GTC). Depending on the number of shares being sold and current trading volumes, sales may be executed in multiple transactions and may be traded on more than one day. The order or any unexecuted portion of the order will be automatically canceled if the price is not met by the end of the order period. The order may also be canceled by the applicable stock exchange or the participant.

Stop Order (online or telephone) – The Plan Administrator will promptly submit your request to sell shares in a Stop Order to a broker. A sale will be executed when the stock reaches a specified price, at which time the Stop Order becomes a Market Order and the sale will be at the prevailing market price when the trade is executed. The price specified in the order must be below the current market price (generally used to limit a market loss).

Sales proceeds will be net of any fees to be paid by the participant. The Plan Administrator will deduct any fees or applicable tax withholding from the sale proceeds. Sales processed on accounts without a valid Form W-9 for U. S. citizens or Form W-8BEN for non-U. S. citizens will be subject to U.S. federal backup withholding. This tax can be avoided by furnishing the appropriate and valid form prior to the sale. Forms are available online at shareowneronline.com.

A check for the proceeds of the sale of shares (in U. S. dollars), less applicable taxes and fees, will generally be mailed as soon as administratively possible after settlement date. If a participant submits a request to sell all or part of the Plan shares, and the participant requests net proceeds to be automatically deposited to a checking or savings account, the participant must provide a voided blank check for a checking account or blank savings deposit slip for a savings account. If the participant is unable to provide a voided check or deposit slip, the participant's written request must have the participant's signature(s) medallion guaranteed by an eligible financial institution for direct deposit. Requests for automatic deposit of sale proceeds that do not provide the required documentation will not be processed and a check for the net proceeds will be issued.

To sell shares through a broker of your choice, you may request that the broker transfer shares electronically from your Plan account to your brokerage account. Alternatively, a stock certificate can be requested that you can deliver to your broker.

U. S. Steel's share price may fluctuate between the time the sale request is received and the time the sale is completed on the open market. The Plan Administrator shall not be liable for any claim arising out of failure to sell on a certain date or at a specific price. Neither the Plan Administrator nor any of its affiliates will provide any investment recommendations or investment advice with respect to transactions made through the Plan. This risk should be evaluated by the participant and is a risk that is borne solely by the participant.

Our Insider Trading Policy provides that the participant may not trade in U. S. Steel's Common Stock if in possession of material, non-public information about the company. Share sales by employees, affiliates and Section 16 officers must be made in compliance with our Insider Trading Policy.

15. Does U. S. Steel offer stock certificates?

Certificate(s) will be issued to a participant for U. S. Steel Common Stock in the participant's account upon written request to the Plan Administrator. No certificate for a fractional share will be issued.

You may have a certificate issued for whole shares without removing those shares from Plan participation. Dividends for your certificated shares and any remaining shares in your Plan account will continue to be reinvested in U. S. Steel Common Stock unless the Plan Administrator is specifically advised to discontinue reinvestment.

If you wish to withdraw from the Plan at any time, a physical certificate may be issued to you upon written request for all whole shares held in your Plan account by the Plan Administrator. Any fractional shares in the account will be sold and a check for the proceeds (less applicable fees) will be issued and mailed to you. Your Plan account will be closed.

Certificates will be issued in the name(s) under which the Plan account is registered, unless otherwise instructed. If the certificate is to be issued in a name other than your Plan account registration name, the signature on the instructions or *Stock Power Form* authorizing the issuance must be guaranteed by a financial institution participating in the Medallion Guarantee Program, as described under "Can I transfer, gift, or pledge my shares?" below. You will receive your certificate as soon as administratively possible following the date the Plan Administrator receives your request.

16. Can I deposit my certificated shares?

You may elect to deposit physical U. S. Steel Common Stock certificate(s) for safekeeping, by sending the certificate(s) to the Plan Administrator together with instructions to deposit the certificate(s). The certificate(s) will show as surrendered with the corresponding credit to Plan shares. The transaction will appear on your Plan account statement, and shares will be held by the Plan Administrator in its name or nominee name. These shares will be held until you sell, withdraw or terminate participation in the Plan. Because you bear the risk of loss in sending stock certificate(s), it is recommended that you send them registered, insured for at least 4% of the current market value and request a return receipt.

Optional Mail Loss Insurance

The participant is advised that choosing registered, express or certified mail alone will not provide full protection, should the certificates become lost or stolen. Mail loss insurance provides the coverage needed to replace and reissue the shares should they become lost or stolen through the mail. As the Plan Administrator, we can provide low-cost loss insurance for certificates being returned for conversion to book-entry form. Replacement transaction fees may also apply.

To take advantage of the optional mail loss insurance, simply include a check in the amount of \$10.00, made payable to "EQ Surety Program", along with the certificates and instructions. Choose an accountable mail delivery service such as Federal Express, United Parcel Service, DHL, Express Mail, Purolator, TNT, or United States Postal Service Registered Mail. Any one shipping package may not contain certificates exceeding a total value of \$100,000. The value of certificate shares is based on the closing market price of the Common Stock on the trading day prior to the documented mail date.

Claims related to lost certificates under this service must be made within 60 days of the documented delivery service mail date. A copy of the certificate(s) mailed, along with proof that it was sent by trackable mail should be

submitted with the claim. This is specific coverage for the purpose of converting shares to book-entry form and the surety is not intended to cover certificates being tendered for certificate breakdown or exchange for other certificates.

17. Can I transfer, gift, or pledge my shares?

YOU CAN TRANSFER OR GIFT SHARES OF U. S. STEEL COMMON STOCK TO ANYONE YOU CHOOSE BY:

- Submitting an optional cash investment on behalf of an existing participant in the Plan in an amount not less than \$100 nor more than \$20,000; or
- Transferring shares from your Plan account to the recipient of your choice.

You may transfer or gift shares to new or existing stockholders. The Plan Administrator will automatically assign to such transferred shares full dividend reinvestment status. New participants and existing participants, at their discretion, may elect another investment option online at shareowneronline.com, by telephone or by sending a new *Account Authorization Card* by mail to the Plan Administrator. If a participant's request to transfer all Plan shares in an account is received between a dividend record date and payable date, the request will be processed. However, on the payable date, any additional shares from a dividend reinvestment will be added to the account and the participant will need to submit a written request if they wish to transfer the additional shares.

To transfer or gift shares, you must have your signature guaranteed by a financial institution participating in the Medallion Guarantee Program (generally a broker or a bank). The Medallion Guarantee Program ensures that the individual signing the certificate or stock power is in fact the registered owner or legal representative.

Shares in your Plan account may not be pledged and any such purported pledge shall be void. If you want to pledge your shares, you must first request that such shares be certificated and delivered to you.

If you need assistance, please call the Plan Administrator.

18. What kind of reports will I receive?

The Plan Administrator will mail you a statement annually showing all transactions (shares, amounts invested, purchase prices) for your Plan account including year-to-date and other Plan account information. Supplemental statements or notices will be sent when you make an optional cash investment or a deposit, transfer or withdrawal of shares.

PLEASE RETAIN YOUR STATEMENTS TO ESTABLISH THE COST BASIS OF SHARES PURCHASED UNDER THE PLAN FOR INCOME TAX AND OTHER PURPOSES AND TO AVOID PLAN ACCOUNT RESEARCH FEES.

You should notify the Plan Administrator promptly of any change in address since all notices, statements and reports will be mailed to your address of record.

Miscellaneous

19. How will my shares be voted?

You will receive voting materials and have the sole right to vote the Common Stock of U. S. Steel represented by the shares held for you in the Plan. In the event you do not provide direction for voting, the Plan shares will not be voted.

You are encouraged to read the information included in the voting materials carefully. Votes may be submitted online, by telephone or by returning the signed, dated proxy card. Your shares will be voted in accordance with the most recent submitted instructions.

20. What are the responsibilities of the Company and the Plan Administrator under the Plan?

NEITHER U. S. STEEL NOR ANY ADMINISTRATOR NOR ANY AGENT WILL BE LIABLE FOR ANY ACT THEY DO IN GOOD FAITH OR FOR ANY GOOD FAITH OMISSION TO ACT. This includes, without limitation, any claims of liability for:

- failure to terminate a Plan account upon a stockholder's death prior to receiving written notice of such death and the legal representatives request to terminate the account;
- purchases or sales prices reflected in your Plan account or the dates of purchases or sales of your Plan shares; or
- any fluctuation in the market value prior to or following the purchase or sale of shares.

NOTWITHSTANDING THE FOREGOING, WE SHALL NOT BE RELIEVED FROM ANY LIABILITY IMPOSED UNDER ANY FEDERAL, STATE OR OTHER APPLICABLE SECURITIES LAW THAT CANNOT BE WAIVED.

NEITHER U. S. STEEL NOR ANY PLAN ADMINISTRATOR CAN ASSURE YOU A PROFIT OR PROTECT YOU AGAINST A LOSS ON THE SHARES YOU PURCHASE UNDER THE PLAN.

21. *May the Plan be changed or discontinued?*

Plan Modification or Termination. U. S. STEEL RESERVES THE RIGHT TO SUSPEND, MODIFY OR TERMINATE THE PLAN AT ANY TIME. You will receive notice of any such suspension, modification or termination. U. S. Steel and any Plan Administrator also reserve the right to change any and all administrative procedures and costs/fees associated with the Plan.

Change of Eligibility or Termination. You will remain a participant of the Plan until you withdraw from the Plan or the Plan is terminated. U. S. Steel reserves the right to deny, suspend or terminate participation by a stockholder who is using the Plan for purposes inconsistent with the intended purpose of the Plan. The Plan Administrator reserves the right to terminate participation in the Plan if a participant does not have at least one whole share in the Plan. Upon termination the participant may receive the cash proceeds from the sale of any fractional share, less any transaction fee and brokerage commission.

22. *Is foreign participation allowed in the Plan?*

If you live outside of the U. S., you should first determine if there are any laws or governmental regulations that would prohibit your participation in the Plan. U. S. Steel reserves the right to terminate participation of any stockholder if it deems it advisable under any foreign laws or regulations.

Withdrawal

23. *How may I withdraw from the Plan?*

You must notify the Plan Administrator online at shareowneronline.com or in writing in order to withdraw from the Plan. Upon withdrawal from the Plan, participants may request that all shares, both whole and fractional, credited to their account be sold by the Plan Administrator for their account. Such participants will receive the proceeds of the sale, less any brokerage fees and commissions. When a withdrawing participant requests that the Plan Administrator sell his or her shares in the Plan, the transfer agent, EQ Shareowner Services, will handle such sale. All such sales are made in the open market and, as such, the sale price will be determined by prevalent market conditions. Brokerage fees and commissions are determined based upon the number of shares sold.

Beneficial owners participating indirectly in the Plan through banks, brokers or other nominees must contact such intermediaries regarding withdrawal from the Plan.

24. *When may I withdraw from the Plan?*

You may withdraw all shares of Common Stock credited to your Plan account at any time by notifying the Plan Administrator.

If the request to withdraw is received by the Plan Administrator before the record date for any dividend payment on which the dividends would otherwise be reinvested for a participant, the dividend reinvestment feature will be terminated on the day of receipt of the request by the Plan Administrator. If your request to terminate from the Plan is received on or after a dividend record date, but before the dividend payment date, your termination will

be processed as soon as administratively possible, and a separate dividend check will be mailed to you. Future dividends will be paid in cash.

Optional cash payments may be stopped if written instructions to do so are received by the Plan Administrator at least two business days prior to the applicable investment date.

Other Information

25. Who interprets and regulates the Plan?

U. S. Steel may adopt rules and regulations to facilitate the administration of the Plan. Any question of interpretation under the Plan will be determined by U. S. Steel and any such determination will be final.

The Plan, all related forms, and your Plan account shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania and cannot be modified orally.

Aggregation of Plan Accounts for Purpose of Limitations. For the purposes of determining whether investments are within the above limitations, all Plan accounts which U. S. Steel believes to be under common control or management or to have common ultimate beneficial ownership may be aggregated. Unless U. S. Steel has determined that reinvestment of dividends and investment of optional cash investments for each such account would

be consistent with the purposes of the Plan, U. S. Steel will have the right to aggregate all such accounts and to return, without interest, within 10 days of receipt, any amounts in excess of the investment limitations applicable to a single Plan account received in respect of all such accounts.

All summary limitations may be waived by U. S. Steel upon written request.

The fee for duplicate statements must be paid in advance. In all other cases, the applicable fees will be deducted from either the investment or proceeds from a sale.

Any trading fees paid by U. S. Steel for which you are not charged will be reported to you as taxable income on Form 1099-MISC.

All fees, including those for which there is currently "No Charge," are subject to change; however, we will not change any fees without first notifying you.

27. How do I participate in the Large Cash Purchases?

Submission of Requests for Waiver. Optional cash investments of more than \$20,000 monthly (including any investments in excess of \$20,000) ("Large Cash Purchase") may be made only by investors that submit a request for waiver, including waiver discounts. Large Cash Purchase requests may be approved by U. S. Steel in its sole discretion at any time. Investors who wish to make Large Cash Purchases for any month should call (651) 554-3812 to determine if U. S. Steel will be considering Large Cash Purchase requests for such month. When you inquire, you will be informed of one of the following:

- that U. S. Steel is not currently considering Large Cash Purchase requests; or
- that U. S. Steel will be considering Large Cash Purchase requests, in which case information will be provided about submitting a *Large Cash Purchase Request Form*.

Large Cash Purchase Request Forms may be obtained online at shareowneronline.com. Completed Large Cash Purchase requests must be delivered to waiverdiscount@equiniti.com by no later than 4:00 p.m. Central Time on the third business day before the first day of the "pricing period" for the applicable waiver period, as described below. Any investor whose Large Cash Purchase request has been approved (including the amount of the investment approved) will be notified by return email or by telephone by 4:00 p.m. Central Time on the second business day before the first day of the applicable pricing period. The Plan Administrator must receive funds relating to any approved Large Cash Purchase request by wire transfer to the designated account no later than 2:00 p.m. Central Time on the business day before the first day of the applicable pricing period. All such funds received after 2:00 p.m. Central Time on such business day may be returned without interest.

Action on Large Cash Purchase Requests. U. S. Steel has the sole discretion to grant or refuse to grant, in whole or in part, a Large Cash Purchase request. In acting on a Large Cash Purchase request, U. S. Steel will consider relevant factors, including without limitation:

- whether the Plan is then purchasing shares of Common Stock from us or in the open market;
- the need for additional funds;
- the attractiveness of obtaining funds through the sale of shares of Common Stock under the Plan compared to other available sources of funds;
- the purchase price likely to apply to any sale of shares of Common Stock under the Plan;
- the party submitting the request, including the extent and nature of that party's prior participation in the Plan and the number of shares of Common Stock held by that party; and
- the aggregate amount of Large Cash Purchases in excess of \$20,000 monthly for which we have received Large Cash Purchase requests under the Plan.

Large Cash Purchases will be priced as follows:

- To determine the purchase price of shares of U. S. Steel Common Stock purchased pursuant to a Large Cash Purchase request, U. S. Steel will fix the number of trading days in the "pricing period" for the

applicable investment. The pricing period generally will consist of one to 15 consecutive trading days, unless the pricing period is extended as described below. On each trading day, U. S. Steel will generally apply an equal portion of the amount approved for investment pursuant to a Large Cash Purchase request to the purchase of shares of Common Stock, subject to the qualifications described below. Each day in the pricing period on which shares of Common Stock are purchased is referred to as a "Purchase Date." The price for shares of Common Stock purchased on each Purchase Date in a pricing period will be equal to 100% (less any applicable discount, as described below) of the composite volume weighted average price, rounded to four decimal places, of shares of Common Stock, as traded on the composite exchanges during regular NYSE hours on the Purchase Date. The Plan Administrator will obtain this composite exchange pricing information from Reuters or, if Reuters is no longer providing this information, another authoritative source.

- U. S. Steel may establish for each pricing period a minimum, or "threshold," price applicable to purchases made pursuant to a Large Cash Purchase request. We will make this determination in our discretion after a review of, among other factors, current market conditions, the level of participation in the Plan and our current and projected capital needs. The Plan Administrator will notify an investor of the establishment of a threshold price at the time the Large Cash Purchase request has been approved.
- If established for any pricing period, the threshold price will be stated as a dollar amount which the composite volume weighted average price of shares of Common Stock, rounded to four decimal places, as traded during regular NYSE hours, must equal or exceed for each trading day of such pricing period (not adjusted for discounts, if any) in order for such trading day to be considered a Purchase Date. Except as provided below, any trading day for which such volume weighted average price is less than the applicable threshold price will not be considered a Purchase Date, and no funds will be invested in shares of Common Stock on that date. Funds that are not invested will be returned without interest, as described below.
- The establishment of the threshold price and the potential return of a portion of investment funds apply only to investments made pursuant to Large Cash Purchase requests. Establishing a threshold price for a particular pricing period will not affect the establishment of a threshold price for any subsequent pricing period.
- If a threshold price for any pricing period is established, U. S. Steel may elect to extend that pricing period. If we do so, the initial pricing period may be extended by the number of trading days during the initial pricing period, up to three trading days, during which the threshold price is not satisfied or there are no trades of shares of Common Stock on the composite exchanges.
- Neither U. S. Steel nor the Plan Administrator is required to notify you that a threshold price has been established for any pricing period.
- If U. S. Steel grants a pricing period extension and the threshold price is satisfied for any additional trading day during an extension, that trading day will be included as a Purchase Date for the extended pricing period. For example, if the extension feature is in use and the initial pricing period is ten trading days, but the threshold price is not satisfied on three out of those ten days, the pricing period may be extended by three trading days. If the threshold price is satisfied on any of the three trading days during the extension period, each of those three trading days will be a Purchase Date for that pricing period.
- U. S. Steel may, in its sole discretion, establish a discount from the market price otherwise applicable to Large Cash Purchases made pursuant to a request for waiver, but we are not obligated to do so. Any discount (including any applicable brokerage fees paid by U. S. Steel) may be 0.0% to 3.0% of the regular market price and may be varied by U. S. Steel in its sole discretion. U. S. Steel may establish any discount in its sole discretion after a review of, among other factors, current market conditions, the level of participation in the Plan, the attractiveness of obtaining financing through the sale of shares of Common Stock as compared to other sources of funds, and U. S. Steel's current and projected capital needs. Establishing a discount for a particular pricing period will not affect the establishment of a discount for any subsequent pricing period.
- Any investor purchasing shares of Common Stock pursuant to a request for a Large Cash Purchase will be treated as the beneficial owner of all shares of Common Stock purchased on each Purchase Date in the applicable pricing period as of the close of business on such Purchase Date, although Plan shares of Common Stock will not be credited to such investor's account until the conclusion of the pricing period unless we elect to use the "continuous settlement feature" described below for that pricing period.

- If the continuous settlement feature is used, shares of Common Stock will be credited to the Plan accounts of investors purchasing shares of Common Stock pursuant to requests for a Large Cash Purchase within three business days after each Purchase Date. U. S. Steel may activate the continuous settlement feature for a particular investment at the time it determines other pricing terms in respect of shares of Common Stock to be sold pursuant to a Large Cash Purchase request.
- U. S. Steel will return, without interest, any amount to be invested pursuant to a Large Cash Purchase request that is not applied to the purchase of shares of Common Stock because the threshold price is not met or shares of Common Stock are not traded on the composite exchanges on any trading day during a pricing period or extension, as applicable. Any such uninvested funds will be returned within five business days after the last day of the applicable pricing period, as it may be extended. The amount returned will be based on the number of days on which the threshold price was not satisfied or no trades were reported on the composite exchanges compared to the total number of days in the pricing period or extended pricing period, as applicable. For example, the amount returned for a ten-day pricing period will equal one-tenth of the total amount of your proposed Large Cash Purchase investment for each trading day on which the threshold price is not satisfied or shares of Common Stock are not traded on the composite exchanges.

From time to time, financial intermediaries, including brokers and dealers, and other persons may engage in positioning transactions in order to benefit from any waiver discounts applicable to investments made pursuant to requests for waiver for Large Cash Purchases under the Plan. Those transactions may cause fluctuations in the trading volume of our Common Stock. Financial intermediaries and such other persons who engage in positioning transactions may be deemed to be underwriters. U. S. Steel has no arrangements or understandings, formal or informal, with any person relating to the sale of shares of Common Stock to be received under the Plan. U. S. Steel reserves the right to modify, suspend or terminate participation in the Plan by otherwise eligible persons to eliminate practices that are inconsistent with the purpose of the Plan.

U. S. Steel may alter, amend, supplement or waive, in its sole discretion, the time periods and/or other parameters relating to optional cash purchases in excess of \$20,000 made by one or more participants in the Plan or new investors, at any time and from time to time, prior to the granting of any request for waiver or within a pricing period as determined by U. S. Steel.

U. S. FEDERAL INCOME TAX INFORMATION

The discussion below is a summary of the important United States federal income tax consequences of your participation in the Plan. The summary is based on the Internal Revenue Code of 1986, as amended, United States Treasury Regulations, administrative rulings and court decisions, in effect as of the date of this prospectus, all of which are subject to change at any time, possibly with retroactive effect. This summary is not a complete description of all of the tax consequences of your participation in the Plan. For example, it does not address any state, local or foreign tax consequences of your participation. You should consult your own tax advisor about the tax consequences of your participation in the Plan.

This Plan assumes that each participant will use the first-in, first-out (FIFO) method when determining the tax basis of any shares sold. Participants may designate their preference for a different method of determining the tax basis of shares by identifying this preference in writing to the Plan Administrator. Participants may designate their preference for specific identification cost basis at any time.

Dividend Income

Cash dividends reinvested under the Plan will be taxable as having been received by you even though you have not actually received them in cash. Any Discount on cash purchases and any Discount on dividend reinvestments is treated as a dividend to the stockholder. In addition, the Internal Revenue Service has ruled that the amount of brokerage commissions paid by us on your behalf (where Plan common stock is purchased on the open market) is to be treated as a distribution to you which is subject to income tax in the same manner as dividends. You will receive an annual statement from the Plan Administrator indicating the amount of reinvested dividends and Discounts reported to the U. S. Internal Revenue Service as dividend income. The statement will also reflect any trading fees paid by U. S. Steel on your behalf for purchases of shares.

Gains and Losses From the Sale of Shares

You will not realize any taxable income from the issuance of certificates representing Plan shares. You may realize a gain or loss, however, upon receipt of a cash payment for whole shares of common stock or a fractional common share credited to your account under the Plan when that account is terminated by you or at the time the shares are sold by the Plan Administrator or by you after withdrawal of the shares from the Plan. The amount of gain or loss realized, if any, is based on the difference between the amount you receive for the shares, including any fractional shares credited to your account (following termination of participation in the Plan), reduced by the expenses of sale, including brokerage commissions and service fees charged for the sale of shares, and your cost basis of the shares. In general, any gain or loss will be capital gain or loss. The capital gain or capital loss will be long-term capital gain or loss if you have held the shares for more than one year. Your holding period will begin the day following the applicable investment date and include any period during which the shares were held by the Plan in your name. Long-term capital gains of individuals and certain other non-corporate taxpayers are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to certain limitations. You should consult your tax advisor as to the consequences of a sale of shares in view of your particular circumstances.

Backup Withholding

Reinvested dividends are not subject to backup withholding unless (1) you fail to give your social security or tax identification number to us, (2) the Internal Revenue Service notifies us that you are subject to tax withholding, or (3) you fail to certify, under penalties of perjury, that you are not subject to backup withholding if such certification is required. If you are a shareholder whose dividends are subject to backup withholding, we will apply toward the purchase of our common stock under the plan an amount equal to the dividends being reinvested less the amount of tax required to be withheld. Your statement of account under the plan will indicate the amount of tax withheld.

Medicare Tax

Certain holders that are individuals, estates, or trusts will be required to pay an additional 3.8% Medicare tax on, among other things, certain dividends and capital gains from the sale or other disposition of stock. Participants that are individuals, estates, or trusts should consult with their own tax advisors regarding the applicability of the Medicare tax to their income and gains in respect of an investment in shares of our common stock acquired through the Plan.

Foreign Plan Participants

A foreign person (nonresident alien individual or foreign entity) is subject to tax withholding at a 30% rate on the gross amount of certain payments of U. S. source income including dividends, unless the beneficial owner of the

payment is entitled to a reduced rate of, or exemption from, withholding tax under an income tax treaty. Foreign entity owned accounts may also be subject to 30% withholding under the Foreign Account Tax Compliance Act ("FATCA"). Foreign persons should consult with their tax advisors or counsel as to which tax certification form they are required to provide and for more specific information regarding the withholding requirements under Chapters 3 and 4 (FATCA) of the U. S. Internal Revenue Code.

FOR FURTHER INFORMATION AS TO THE TAX CONSEQUENCES TO PARTICIPANTS IN THE PLAN, INCLUDING STATE, LOCAL AND FOREIGN TAX CONSEQUENCES, YOU SHOULD CONSULT WITH YOUR OWN TAX ADVISOR(S). THE ABOVE DISCUSSION IS BASED ON FEDERAL INCOME TAX LAWS AS IN EFFECT AS OF THE DATE HEREOF. ALL PARTICIPANTS SHOULD CONSULT THEIR TAX ADVISORS WITH RESPECT TO THE IMPACT OF ANY FUTURE LEGISLATIVE PROPOSALS OR LEGISLATION ENACTED AFTER THE DATE OF THIS PROSPECTUS.

PLAN OF DISTRIBUTION

Except to the extent the Plan Administrator facilitates the purchases of our Common Stock in open market transactions, the Common Stock acquired under the Plan will be sold directly by U. S. Steel through the Plan. U. S. Steel may sell Common Stock to owners of shares (including brokers or dealers) who, in connection with any resale of such shares, may be deemed to be underwriters. In connection with any such transaction, compliance with Regulation M under the Securities Exchange Act of 1934 would be required. Such shares, including shares acquired pursuant to waivers granted with respect to the optional cash investment feature of the Plan, may be resold in market transactions (including coverage of short positions) on any national securities exchange on which our Common Stock trades or in privately negotiated transactions. Our shares of Common Stock are currently listed on the NYSE. The difference between the price such owners pay to U. S. Steel for Common Stock acquired under the Plan, after deduction of the applicable discount, if any, from the purchase price, and the price at which such shares are resold, may be deemed to constitute underwriting commissions received by such owners in connection with such transactions. Any underwriter involved in the offer and sale of the shares of Common Stock will be named in an applicable prospectus supplement. Any underwriting compensation paid by U. S. Steel to underwriters or agents in connection with the offering of the Common Stock, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be set forth in an applicable prospectus supplement.

U. S. Steel will pay any and all brokerage commissions and related expenses incurred in connection with Plan purchases of Common Stock in the open market except with respect to open market purchases of Common Stock representing optional cash investments that are paid by check.

Upon withdrawal by a participant from the Plan by the sale of Common Stock held under the Plan, the participant will receive the proceeds of such sale less (i) a nominal fee per transaction paid to the Plan Administrator (if such resale is facilitated by the Plan Administrator at the request of a participant), (ii) any related brokerage commissions and (iii) any applicable taxes.

Shares of Common Stock may not be available under the Plan in all states. This Prospectus does not constitute an offer to sell, or a solicitation of an offer to buy, any shares of Common Stock or other securities in any state or any other jurisdiction to any person to whom it is unlawful to make such offer in such jurisdiction.

LEGAL MATTERS

The validity of the issuance of the shares of our Common Stock offered hereby will be passed upon for U. S. Steel by Hogan Lovells US LLP.

In accordance with Section 102(b)(7) of the DGCL, the Registrant's Restated Certificate of Incorporation limits personal liability of the Registrant's directors to the Registrant or the Registrant's stockholders for monetary damages for any breach of fiduciary duty as a director, except (i) for breach of the director's duty of loyalty to the Registrant and the Registrant's stockholders, (ii) for acts and omissions not in good faith or that involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL or (iv) for any transaction from which the director derived an improper personal benefit.

Article V of the Registrant's Amended and Restated By-Laws provides that the Company shall indemnify to the fullest extent permitted by law any person who is made or is threatened to be made a party or is involved in any action, suit, or proceeding whether civil, criminal, administrative or investigative by reason of the fact that he is or was a director, officer, employee or agent of the Registrant or is or was serving at the request of the Corporation as an officer, director, employee or agent of another corporation, partnership, joint venture, trust, enterprise, or nonprofit entity.

The Registrant is empowered by Section 145 of the Delaware General Corporation Law, subject to the procedures and limitations stated therein, to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Registrant) by reason of the fact that such person is or was an officer, employee, agent or director of the Registrant, or is or was serving at the request of the Registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. To the extent a director or officer is successful on the merits or otherwise in the defense of any action referred to above, the Registrant must indemnify him against the expenses that he actually and reasonably incurred in connection therewith.

Policies of insurance are maintained by the Registrant under which directors and officers of the Registrant are insured, within the limits and subject to the limitations of the policies, against certain expenses in connection with the defense of actions, suits or proceedings, and certain liabilities which might be imposed as a result of such actions, suits or proceedings, to which they are parties by reason of being or having been such directors or officers.

The foregoing summaries are subject to the complete text of the statutes, the Restated Certificate of Incorporation and the Amended and Restated Bylaws, and are qualified in their entirety by reference thereto.

Section 16. List of Exhibits.

See Exhibit Index.

Section 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as a part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(h) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 15 above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
